PROBLEMS OF
CHURCH CITED
AT SS SESSION

Around the clock employment, pressure of social activities, too free a use of alcoholic beverages and secularism are some of the problems faced by church people today, the Rev. Dr. Paul L. Reaser, pastor of St. James Lutheran Church, told delegates at the annual Adams County Sunday School convention Sunday evening. Afternoon and evening sessions were held in the Trinity Lutheran Church, Arendtsville. The theme of the convention was "The Church and Home Together for Christ."

"We need to make appointments today to talk with our children, a time when they are free," Rev. Reaser said. "Secularism streams into our homes through magazines, radio and television. The church and home together with Christ can do many things but we must keep in communication with the source of wisdom and truth. The home and church are divinely instituted and both can determine the direction of civilization."

He noted that "almost every issue of today's newspapers emphasizes the need for a strong home. People need to follow the directives given by God to build a good home."

Charles D. Helwig Jr., Gettysburg R. 1, was elected president of the Adams County Council of Christian Education at the afternoon session. Others elected were: the Rev. Harry L. 200 HUNGARIANS
DEDICATE GIFT
TO GETTYSBURG

Two hundred Hungarians, 2,000 miles from home, and now residents of the United States, stood Sunday at the spot in the Gettysburg National Cemetery where Abraham Lincoln promised that "government of the people, for the people, by the people shall not perish from the earth" and spoke and prayed for freedom "for the enslaved and suffering people of Hungary."

Here for dedication of a painting presented by the Collegial Society of Hungarian Veterans to the borough of Gettysburg, the 200 men and women who had fled Hungary over the last ten years found their dedicatory gathering a happy reunion, for many of them had thought each other dead.

Eighty of the men were those who had fought almost barehanded Budapest during the Hungarian October revolt. Others were older men, veterans of the Hungarian Army of World War II, many of them veterans of Russian prison camps in Siberia.

Dr. Laszlo Agh, Newark, N. J., national chairman of the Collegial Society of Hungarian Veterans, summed up the purpose of the presentation in the principal address of the afternoon. "Just as heroic Americans died at Gettysburg, so the heroic Hungarian boys died last October to preserve their historic thousand-year-old ideal of the Hungarian spirit of freedom. . . . 359 BEGIN R.C.
SWIM CLASSES;
1,000 REGISTER

Three hundred fifty-nine Adams County youngsters today began swimming instructions under sponsorship of the county Red Cross.

From 9 o'clock this morning, through noon, the "beginner" swimming students took their first instructions at the Battlefield Pool along the Littlestown Rd. and at Crouse's pool near Littlestown.

This afternoon at 12:30 o'clock instruction for intermediate, junior and senior life saving students began at the Gettysburg College pool.

Over 1,000 Signed

This evening at 6:30 o'clock swimming instruction for adults will be conducted at the Gettysburg College pool.

More than 1,000 have been signed to take part in the various swimming periods to be held over the next six weeks. Because of the large numbers involved in the classes, the largest in the history of the local Red Cross, officials said today that students must report on time for their classes and there can be no "switching" of hours as had been the custom in prior years when there were fewer in the classes and such arrangements could more easily be made.

Mrs. Julius Swope, water safety chairman for the Red Cross, supervised instruction at the Battlefield Pool this morning while Mrs. Peggy P. Hill, Red Cross secretary, had supervision of the Littlestown pool.

Need Transportation

George W. Naugle, Red Cross chairman today asked persons who may wish to provide transportation for the swimming instructors from Gettysburg to Littlestown (Continued on Page 3)

No estimate of damage was immediately available. The fire in the 40 by 40 frame barn was discovered shortly after 10 o'clock. At 1 o'clock firemen were still at the scene. The barn contained little more than some firewood, paper, etc., that had been stored there.

WEEKEND HEAT
HIT 98; WORSE
THAN ANY IN '56

Temperatures here headed into the 90's for the sixth straight day after setting new 1957 heat records over the weekend.

High readings of 98 degrees here on Saturday and Sunday set new heat marks for this year.

A check of local records showed the weekend heat wave was the hottest June weather here since 1954 when the mercury climbed to 98 degrees and the hottest summer day in Gettysburg since August 3, 1955, when a scorching 102 was recorded.

The weekend weather was hotter than any which was experienced here in 1955.

The current hot spell dates from last Wednesday afternoon when the high was 91 degrees, equalling previous highs set in April and May. On Thursday the high was 92; Friday, 90; Saturday, 98, and on Sunday another 98.

No Early Relief

The heat wave that has had Pennsylvania in its torrid clutches since last Wednesday continued today with little prospect of any relief before tomorrow night, the Associated Press said.

Philadelphians sweated under a hot sun that sent the mercury sky-rocketing yesterday to a record 100 degrees for the date.

The previous high for a Philadelphia June 16 was 96 degrees 44 years ago.

Pools Jammed

Elsewhere in the state hundreds of thousands of residents sought relief from the heat. Large crowds jammed practically every swimming facility in Pennsylvania.

The mercury later today is expected to reach the middle 80s in the northern section of the commonwealth and middle 90s in practically all other areas.</

Swarm Of Bees Takes Over Dredge

PHILADELPHIA (AP) — A big batch of bees buzzed in on a boat and its crew was forced to abandon ship.

The dredge Franklin was operating near Burlington Island in the Schuylkill River when the bees took over the bridge, machine and locker rooms.

Police Chief John R. Stewart, an apiarist in his off hours, rounded up the bees, and the 20-man crew returned to the dredge after 3½ hours.

HE'S COOPERATIVE

WILDWOOD, N.J. (AP) — Richard Brees, 23, learned there was a warrant out for him in connection with the theft of an automobile to cooperate with police, he hitchhiked 100 miles from Philadelphia to give himself up to local police, and was held for a hearing today.

IKE'S FOREIGN AID BILL MOVES TO HOUSE TODAY

By ERNEST B. VACCARO
WASHINGTON (AP) — President Eisenhower's \$3,637,000,000 foreign aid bill moved on to the House today, propelled by a 57-25 Senate vote.

Every effort by bands of Democratic-led opponents to trim its totals and limit its authority to one year was smothered in a series of roll calls that kept the Senate in session almost until last midnight.

On final passage, 26 Democrats and 31 Republicans voted for the bill; 17 Democrats and 8 Republicans opposed it.

GOP Unity Displayed
It was a rare demonstration of Republican unity on a foreign policy matter with Sen. Knowland of California, the Republican leader, supporting Eisenhower on every issue.

He sometimes has differed with the administration on foreign policy matters.

It also was an exhibition of generalship by Sen. Lyndon B. Johnson (D-Tex.), the majority leader, in keeping many reluctant Democrats in line.

Both held out the possibility of cuts in a later appropriations bill to provide funds for the aid program. They reminded their colleagues that the foreign aid bill is an authorization measure, setting only ceilings and terms.

Working In Harmony
With Johnson and Knowland working in close harmony behind 89-year-old Chairman Green (D-R.I.) of the Senate Foreign Relations Committee, the bill survived every test despite charges the program is loaded with "giveaways," and "waste and extravagance."

Supporters of the bill said that in arming allies and bolstering their economies, this country is protecting its own national security.

The opposition was led by Democratic Sens. Long and Ellender of Louisiana, Moore of Oregon and O'Mahoney of Wyoming. All voted "no" on final passage.

Sen. Jenner (R-Ind.) charged that this country is already "mortgaged to the hilt." He and seven other Republicans, Barrett (Wyo.), Bricker (Ohio), Curtis (Nebr.), Dvorshak (Idaho), Malone (Nev.), Williams (Del.) and Young (ND) voted against final passage.

Amendment Beaten
An amendment by Ellender to slash military assistance from \$1,800,000,000 to \$1,300,000,000 was beaten 61-26. Another by Long to cut military assistance by 100 millions was rejected, 52-33. In the only close vote, the Senate rejected 49-4 a proposal by Long to cut defense supports by 90 millions, to 710 millions.

In addition to providing \$1,800,000,000 in new spending authority for military aid in the next fiscal year, the bill also contains authority for re-appropriating 500 mil-

DOUBT BODY IS LOST FROGMAN, BUSTER CRABB

LONDON (U)—Some Britons think the headless, handless body found on Britain's south coast and believed to be that of missing frogman Cmdr. Lionel (Buster) Crabb may be a Russian imitation of a British wartime trick.

Both the Laborite Reynolds News and a reader's letter to the editor of the independent Sunday Express took exception to the general belief that the body found June 9 is that of the frogman, last seen skin diving in Portsmouth Harbor near the Soviet cruiser Ordzhonikidze 14 months before.

The Reynolds News said British security agents, because of reports they have from behind the Iron Curtain, believe Crabb is still alive and in Russian hands.

Red Subs In Channel
The paper called attention to the presence in the English Channel of three Russian submarines three days before the body was washed up at Chichester, 100 miles from Portsmouth. The submarines since have entered the Mediterranean en route to Egypt.

There has been no announcement that the body has been identified as Crabb's. The Reynolds News said it showed no signs of being hammer-toed, which Crabb was.

Both the Reynolds News and the writer to the Sunday Express called attention to "the man who never was," a body which British intelligence floated ashore to a Spanish beach from a submarine in World War II. The body had on it faked operation plans intended to fool the Germans.

The exploit was widely publicized after the war in a novel and a factual account, and a Hollywood movie was based on it.

The Reynolds News speculated that the Russians had copied the stunt for propaganda effect.

PROBLEMS OF

(Continued from Page 1)

Verle C. Schumacher, Zion Lutheran Church, Fairfield, young people; Wilmer Lady, Biglerville, adults; Luther Lady, Biglerville, R. 2, and C. I. Raffensperger, honorary, leadership training; Samuel J. Snyder, Littlestown, R. 2, missionary and temperance, and the Rev. Robert K. Shauli, Trinity Lutheran Church, Arendtsville, evangelism and weekday religious education.

Plan New Group
The officers were installed by the Rev. Chauncy Varner, youth director of the Pennsylvania State Council of Christian Education at Harrisburg.

The \$1,255 budget for the coming year presented by Treasurer J. B. Collins was approved. Luther Lady reported that the steering committee for the proposed Adams County Council of Churches has a revised constitution which will be presented to the churches. He said 25 churches must ratify the constitution before the council can be organized. Each church will be represented on the council by the pastor and four others. The present steering committee will serve as a nominating committee, he said.

Lady noted that the present Adams County Council of Christian Education will become a department of the proposed council. Sunday Schools will be asked to contribute one per cent of their operation expenses to support the council. This will replace the ten cents per pupil system now in effect.

Members Of Committee
Members of the steering committee are: Luther Lady, chairman; Miss Alma Miller, Biglerville, secretary; the Rev. Mr. Lester J. Karschner, St. John's Lutheran Church, Abbottstown; the Rev. Mr. Robert Knecht, Church of the Brethren, Gettysburg; the Rev. Mr. Verle C. Schumacher, Zion Lutheran Church, Fairfield; Mrs. Kenneth G. Reinhardt, R. 4; R. R. Starner, Benderville; Charles Heintzelman, Gettysburg, R. 5; Alonzo M. LaVanture, York Springs, R. 1; Charles Boyer, Biglerville; Hugh C. McIlhenny, Gettysburg, R. 4; the Rev. Mr. William Vastine of the Pa. State Council of Churches, and the Rev. Mr. Lamont A. Woelk, Fairfield Mennonite Church.

The nominating committee includes: Elmer C. Shildt, Taneytown, R. 1, chairman; Luther Smith, York Springs, R. 1; Dale Brough, Aspers, R. 1, and J. R. Hamm, New Oxford.

A moment of silent prayer was observed in memory of J. Hoke Slaybaugh, Biglerville, who died recently. He had been president of Adams County's Sixth Sunday School District.

The Rev. Marlin H. Lauver, Mt. Tebor EUB church, led the devotions at the afternoon session. A welcome was extended to the 65 delegates by the Rev. Robert K. Shauli, host pastor. Luther Lady was in charge of the song services. In charge of registration was Miss Alma Miller.

Muscle was provided by the junior choir of the Arendtsville Trinity Lutheran Church and a ladies' quartet from the Bethel Mennonite Church. The choir sang "This Is My Task" accompanied by David Bushman, on the organ. Members of the quartet were: Mrs. Arthur Musselman and the Misses Martha, Ruthanna and Carolyn Musselman, Gettysburg, R. 3. They sang a cappella "Jesus, And Shall It Ever Be." At the departmental sessions, Mrs. Ralph Hikes was the moderator for the children's department with Miss

TORNADO, FLOODS KILL 17 IN ITALY

PAVIA, Italy (U)—North Italy today counted at least 17 dead in a rare one-two weather punch of floods and tornado.

The tornado, unusual in this part of Europe, killed eight persons yesterday as it ripped through the villages of Cignana and Robecco Pavese. Another 60 were hospitalized.

Four persons were drowned in week-old floods of the Po, Cenischia, Dora and Stura rivers rampaging over a large part of northern Italy. Two others died in the flood waters last week.

Flood damage so far was estimated at 50 million dollars. The twister flattened farm buildings and some cottages in the two villages.

Nasser Ousts Half Of 2,508 Candidates

CAIRO (U)—President Nasser today bumped more than half the candidates for Egypt's new National Assembly out of the race.

He and a committee of three of his closest lieutenants put the stamp of approval on 1,142 candidates of 2,508 originally entered for the July 3 election. The vote will name Egypt's first 350-man nonparty Parliament under the revolutionary regime.

Nasser took the action by decree after the committee, called the "National Union" and established under the constitution, had screened prospective deputies for the last three weeks.

The Rev. Verle C. Schumacher was the moderator of the youth department discussion with the Rev. Chauncy Varner as the speaker. Moderator for the adult group was Charles Helwig with the Rev. Louis Haman, supply pastor for the New Oxford-Abbottstown Evangelical and Reformed church, as the speaker. The relationship of Sunday School with a secular culture was discussed.

Following a chicken salad supper prepared by the Evening Circle of United Lutheran Church Women of the host church, the delegates saw a film entitled "By All Means."

Devotions at the evening service were conducted by the Rev. Mr. Nevin R. Frantz, pastor of the Zion Evangelical and Reformed Church, Abbottstown. ADAMS WHEAT FARMERS WILL VOTE THURSDAY

Adams County wheat growers will vote Thursday at six places in the county during the annual wheat marketing quota referendum being held throughout the nation.

Roy A. Weaver, chairman of the Adams County Agricultural Stabilization and Conservation Committee, said farmers eligible to cast ballots in the referendum are those who would have an allotment of more than 15 acres.

Chairman Weaver said the vote in the referendum will not affect acreage allotments which will continue in effect for the 1958 wheat crop no matter how the vote goes. Marketing quotas are directed to be proclaimed, according to law, whenever the wheat supply exceeds normal by 20 per cent or more. The supply of wheat available for the marketing year 1957-58 is estimated at 55 per cent above the normal supply.

Open 8 A.M. To 9 P.M.

If more than one-third of the voters disapprove the quotas Thursday, then no penalties will be in effect, but the available support on the 1958 crop will be 50 per cent of parity. If at least two thirds adopt the quotas then each farmer will be given a quota and if he exceeds that figure he will be given a penalty on the excess wheat. However if the quotas are voted, the price support will be at a minimum national average of \$1.78 a bushel.

The polling places Thursday will be open from 8 a.m. to 9 p.m. at the following locations: For farmers in the Jamiltonban, Liberty, Highland, Freedom, Mt. Joy, Cumberland and Straban Twp., Adams County ASC office, 146 York St.; Union, Germany and Conewago Townships, Robert's Implement Shop, Littlestown; Mt. Pleasant, Oxford, Berwick and Hamilton Twp., Farm Bureau Bldg., New Oxford; Reading, Tyrone, Huntington and Lahmore Twp., Fair's Service Station between Hampton and York Springs; Butler, Menallen and Franklin Twp., Biglerville High School.

STORMS STOP HAITI VIOLENCE

PORT AU PRINCE, Haiti (AP)—Violent rainstorms lashed Port au Prince today, washing out threatened new political violence for the time being. At least 50 persons perished and 200 were hurt in weekend rioting.

The ruling military junta broadcast continuing appeals to businesses to operate normally, and warned that it had power to force operation of essential services and maintenance of food supply lines. The general strike has been a potent political force here in the last six months.

With scores in critical condition, the death toll from Saturday night's carnage may reach well over 100. Angry mobs went on an orgy of looting, burning and stoning in protest at the army's ouster of their idol, Provisional President Daniel Fignole. Troops snopped it with submachinegun fire.

About 1,000 Haitians were imprisoned.

The workers from Port au Prince's slums threatened another burst of violence last night. But a cloudburst lashed the unhappy Negro republic in the afternoon, turning the capital's muddy streets into swirling streams two to three feet deep.

JAKARTA (AP)—The Indonesian air force has taken over Kemajoran Airport, Jakarta's main civilian airfield, a spokesman announced today.

The spokesman said the action was taken "for security reasons," and added the air force will continue running the airfield until the state of war and siege proclaimed March 14 by President Sukarno is ended.

ROME (AP)—Stefan Cardinal Wysnizki, Roman Catholic primate of Poland, left by train today for his troubled homeland amid the cheers and applause of more than 1,000 Romans.

WASHINGTON (AP)—Secretary of Defense Wilson left for a Canadian fishing vacation today after completing three days of closed door talks with the nation's top military leaders.

He made an early start by military plane.

Two Boys Drown In State Parks

PLEASANT GAP, Pa. (AP)—Two boys drowned in a boating accident in Centre County state parks. State police reported.

Sgt. Howard Harlock, of the Pleasant Gap Station, said Larry Wance, 9, of Aaronburg, wandered into deep water while swimming with his parents, Mr. and Mrs. Kenneth Wance, at Poe Valley State Park.

Henry Snyder, 11, State College, drowned in Black Moshannon State Park, Hancock said.

His body was discovered by his uncle, Abraham Horne, 14, of Oak Hall Station, near State College. Artificial respiration failed and state police said the boy, apparently, had been in the water about 10 minutes.

Red Hot Redbirds Take Pair From Brooklyn And Move Into 2nd Place In Tight NL Race

By DON WEISS
The Associated Press
Frank Lane's collection of the bought and bartered—plus Stan Musial—have proved themselves on the road. Now if these St. Louis Cardinals can adjust their appetites to home cooking, this might be a National League battle that's literally going to the birds.

Cardinals teams have threatened before without winning since the league pennant last flew over the St. Louis ballyard in 1946, but this is a season with all the earmarks of a new order.

The Cards are even beating Brooklyn at Ebbets Field—a sure sign it's time for a closer look.

Cards Are Second
A 7-6, 8-4 doubleheader sweep of the nose-diving Dodgers at the "Brooks" stronghold yesterday—first time that's happened in at least eight years—boosted St. Louis into second place behind Milwaukee in the five-club NL race.

The double victory ended one of the most successful Cardinal Eastern trips (11-2) since the early 40's and gave the club a road record of 24-10, a .706 pace. The only item that has stopped St. Louis short of the top is a 7-13 show before the home folks.

Milwaukee, 1½ games up on the flying Redbirds, split its doubleheader with Philadelphia, winning the first 3-2 but losing the second 1-0 to Curt Simmons despite a one-hitter from Lew Burdette. The New York Giants, with Don Mueller hitting a three-run pinch homer, dumped Cincinnati into third place, 4-3, and Chicago stopped Pittsburgh 4-1 in the first of two games at Forbes Field. The second fell victim to the Pennsylvania 7 p.m. curfew with the clubs tied 4-4 after 6-13 innings.

Chisox Pull Ahead
Chicago's White Sox added a half length to their American League lead over New York, defeating Washington 4-2 and 8-6 while the Yanks settled for an 8-6 victory over Kansas City in a 10-inning single game. Three and one-half games separates the teams. Improving Detroit, now 8½ games off the pace, edged Boston 2-1 on Harvey Kuenn's 10th-inning homer and Cleveland won twice from Baltimore, 4-3 and 6-1.

An 18-year-old bonus beauty only a week out of high school, Von MacLennan, represented the "bought," Hoyt Wilhelm the "bartered," and Musial was Musial in the Cardinals' spurge against Brooklyn, dropping the defending champions to fifth place.

McDaniel, younger brother of the Cards' Lindy McDaniel, allowed only one hit in our scoreless innings or role in the opener, which Musial tied at 6-6 with a three-run homer and Ken Boyer won with a solo drive into the stands. Wilhelm outdid that in the second game, taking over or winner Willard Schmidt in the sixth retting all 12 Dodgers he faced.

Pizarro Won Opener
Burdette allowed only a sixth-inning double to Joe Lonnett in the second game at Philadelphia but an infield out and Richie Ashburn's sacrifice fly enabled Lonnett to score with the run that beat the Braves. Milwaukee lefthander Juan Pizarro had the opener in hand with a live-hitter despite homers by Willie Jones and Granny Hamner.

Millard Howell, a 37-year-old relief pitcher, used his bat as well as his right arm to help the White Sox sweep Washington after homers by Minnie Minoso and Jim Rivera had clinched the opener or Jim Wilson. Howell hit two successive home runs, his first in the majors, as Chicago bounced back from a 6-0 deficit.

The Yanks, with ex-Kansas City outfielder Harry Simpson contributing a key single, made it three straight over the A's. Simpson's hit moved Mickey Mantle to third, from where he scored in the tenth inning. Elston Howard's two-run single wrapped it up or Bob Grim over Tom Gorman, both in relief.

GOLF TOURNEY OPENS TODAY

HERSHEY, Pa. (AP)—The 41st annual Pennsylvania Open Golf Tournament got underway today at the Hershey Country Club and Hershey Park courses with a field of 72 vying for \$3,000 in cash prizes and amateur awards.

Heading the field is 1954 Open winner Henry Williams Jr. of the Berkleigh Country Club, Kutztown. He took the two-course tourney with a five under 141 for 36 holes.

He lost the championship the next year to the late Johnny Weitzel, of Hershey, who also won the 1956 tourney shortly before receiving fatal injuries received in an auto accident.

The field was divided between the two courses, with half playing the morning round at the Hershey Park course and the other half starting on the Country Club course. The two groups were to switch courses for the second half.

The professional prize money will be divided among the top 15 entries with \$1,000 going to the first place winner down to \$35 for 15th. Trophies will be presented the three best amateur performers.

Entered in the field were Skeel Reigel, of Radnor Valley Country Club, Star Dudas, of the North Hills Country Club, and John Vascio of the Lehigh Country Club.

The Varsity Club and 50-50 Class won victories in the Rec Slow Pitch League Saturday evening.

Doubles by Cullison and Rudisill gave the varsity a run in the last of the final inning to edge the Gettysburg Times entry 4-3 in a tight affair. The Varsity scored in the third inning on a triple by Loebbaum and sacrifice fly by Cullison and picked up two more in the fourth on doubles by Rudisill and Hankey and a single by Rentzel. The Times scored a run in the second on singles by Cooley, Small and Loudon. A pair of singles and a fielder's choice accounted for another tally in the fourth. In the seventh Cooley singled and scored after several wild pitches.

The 50-50 Class scored four times in the first inning and added five in the second to breeze to an easy 14-1 win over the United Brethren outfit. Frierson slammed a two-run homer for the losers in the first. He batted home Rentzel, who had singled with a triple in the third and pounded out a double in the sixth.

THREE GOLFERS KILLED BY BOLT

SCRANTON, Pa. (AP)—A single bolt of lightning killed three men yesterday and injured three others after rain drove them from a game of golf to the shelter of an oak tree.

Eleven doctors playing on the crowded Scranton Country Club course hurried to the scene. They found three golfers already dead. Another golfer and two caddies were burned severely and suffering shock. The deputy coroner said the group's metal golf clubs served as conductors after the lightning struck the tree.

The dead were Dr. Horace D. Birchard, 60, Scranton, a dentist; Frederick DeWilde, 62, Clark's Summit Pa., a co-owner of Pine Brookie iron works, Dunmore, Pa.; and John W. Whitmore, 58, Scranton, an insurance executive.

Early today the other three men were reported in "fair condition" by Scranton State Hospital.

They were the fourth golfer, Christian Robinson, 49, of Scranton, principal of North Scranton Junior High School, and the two caddies, John Fabian, 47, of Dickson City, Pa., and John Marshall, 44, of Throop, Pa.

Baltimore Writers To Honor Sullivan

The Baltimore Sports Reporters Association will honor Jack Sullivan, Mt. St. Mary's ace cager, as the person who did most for Maryland sports during the past year at their annual banquet at the Broadview Apartments, Baltimore.

Frank Lane, general manager of the St. Louis Cardinals, will be the chief speaker at the award dinner. Last year's winner was Don Kjelset of the Baltimore Colts.

Sullivan, just graduated from Mt. St. Mary's, is undecided about his future. The young star is weighing offers from the Philadelphia Warriors, who drafted him second, and the Peoria Caterpillars and Denver Tuckers in the AAU League.

GALLANT MAN WINS BELMONT ON NEW MARK

NEW YORK (AP)—Gallant Man, the tough little Irish-bred Belmont Stakes winner, has a date with the veterinarian after which a decision will be made about his next race.

In fact Bold Ruler, who was the slight favorite in Saturday's \$113,350 mile and one-half classic, also will be laid up for a brief time in care of a vet.

Neither of them was hurt in the Belmont. Gallant Man, who set an American record with his tremendous eight-length victory, will be treated for worms. Bold Ruler must take two shots of vaccine for sleeping sickness.

Plans Uncertain
Bold Ruler died after setting a blistering early pace and the D. & M. Stable's Inside Tract came up to take second money.

"We won't make up our minds about the future for Gallant Man for about a week," said John Nud, who trains the 3-year-old for Ralph Lowe of Midland, Tex. "He's staked here at Belmont, and at Saratoga, as well as in Chicago."

Beats 1940 Mark
He's eligible for the Arlington Classic and the American Derby in Chicago, but the only race I'm particularly interested in right now is the two-mile Jockey Club Gold Cup at Belmont Oct. 12."

Sunny Jim Fitzsimmons delayed after the Belmont, fearing the shots might upset the colt. All horses in New York must be inoculated by July 1. Gallant Man got his last winter in Florida.

Gallant Man's sensational Belmont time of 2:26½, under 126 pounds clipped a full second off the track and American record set by Bolingbroke in 1940.

Five runs in the last of the eighth inning turned the trick for Bonneauville who had trailed 3-1 at that time. Bonneauville collected a total on nine hits with Strausbaugh rapping three hits. Sneeringer held Littlestown to six hits and fanned 14.

Arendtsville pulled to within one game of Littlestown when it was credited with a forfeit, Greenmount failing to field a team.

A five-run rally in the ninth gave Harney a 7-5 win over Mummasburg. F. Cool leading the 13-hit attack of Harney with four singles.

Hunsterstown tightened its grip on third place by outslugging Brushtown on the latter's field 10-8.

SAYS PHILLIES' WIN WAS "HITLESS" AFFAIR

PHILADELPHIA (AP)—If Billy Branton, Milwaukee Braves center-fielder, had been the official scorer yesterday Lew Burdette would have made baseball history by putting a no-hitter and losing in nine innings.

The Phillies beat Burdette 1-0 in the second game of a doubleheader even though Lou allowed but one hit. The Phillies' lone safety was a double in the sixth inning by Joe Lonnett, reserve catcher, which Branton dropped when he brushed the concrete centerfield wall after a long run. The official scorer ruled it a double. Lonnett scored the game's only run a few minutes later on a sacrifice fly.

Branton said he should have been given an error. Branton felt he played the ball badly by not racing to the wall right away.

A major league pitcher has never hurled a no-hitter and lost in a nine inning game.

DICK MAYER IS NEW NATIONAL OPEN GOLF KING

By FRITZ HOWELL
TOLEDO, Ohio (AP)—America's new National Open golf king, 32-year-old Dick Mayer, was still in an "I can't believe it" dither today.

The St. Petersburg, Fla., pro has the features of a movie idol and the courteous manner of an old Southern gentleman. He learned the rudiments of golf as a kid by batting a ball around a baseball diamond with a six-iron from his dad's set. He left a Wall Street brokerage job in 1940 to turn professional.

Yesterday he defeated two-time champion Cary Middlecoff by seven strokes—a record for such uneven heats—in the playoff over Inverness Club's hot and humid acres.

The "Allergy Playoff"
Mayer termed it the "allergy playoff" because he and Cary have been taking shots all week for various ailments. Middlecoff, who had two couple bogies and finished 9 over par, after shooting a pair of 68s for a record in the final rounds, said he was "mentally exhausted."

"I played like a 'chopper' all day," he said. "I guess I left all my golf right on the 18th green yesterday when I sank that birdie to 12."

First Win Of Year
The new king of the linksmen, hours after posting his 72 against Middlecoff's 79 over the par-70 course in 98-degree temperature, said, "I'm numb, and I'll be that way for days."

Until yesterday, Mayer hadn't won a tournament this year.

Reminded that he had just picked up a \$7,200 check for his share of the \$30,000 tournament gold, he remarked: "Hush, Uncle Sam will hear and be around to see me."

FATHER AND SON CAPTURE SP PARTNERS HANDICAP TOURNEY ON LOCAL GOLF COURSE SUNDAY

By JACK HAND
Kid Gavilan, former welterweight champion who screamed "brother!" after he lost a decision to Vince Martinez in February, gets a chance to even the score Monday night at Roosevelt Stadium in Jersey City.

Gavilan, 31, lost a decision to Del Flanagan April 24 at St. Paul in his only start since the Martinez bout. The Paterson, N. J. welter, ranked sixth by the National Boxing Assn., dropped a 10-rounder to Ralph Dupas in New Orleans, April 8.

At St. Nick's Tonight
Felix Chocca of France substitutes for Jimmy Archer of New York in a 10-round welter match against Tony De Cola at St. Nicholas Arena in New York the Monday Dumont TV series. Archer had to pull out because of an eye infection.

De Cola, 20, of Brooklyn, has won all five starts this year, stopping three opponents.

Brown Risks Title
Joe Brown risks his world lightweight championship, Wednesday at the Denver Auditorium against Orlando Zulueta, clever left-jabbing Cuban who is No. 3 in Ring and No. 4 with the NBA among Brown's challengers.

It will be Brown's second defense of the crown he won from Wallace "Bud" Smith last August. He stopped Smith in 13 rounds in a February match at Miami Beach, Fla. Brown is expected to be a heavy favorite.

Zulueta, winner of his last four, claims he never has been dropped in 100 fights. His record is 63-26-11 to Brown's 63-14-8.

The championship fight will be carried on ABC radio-TV.

Joey Giambra, Buffalo, N. Y. boxer who is fourth among Sugar Ray Robinson's contenders, will try for his 10th straight Friday at Syracuse, N. Y. against rugged Rory Calhoun.

Although Calhoun dropped a split decision to Joey Giardello at Cleveland, May 17, the White Plains, N. Y. boxer has lost only two of 29 starts. The other defeat was by Spider Webb in Chicago last August.

The 10-rounder will be carried on NBC radio-TV.

Bobo Olson, flattened twice by Robinson in the Middleweights division, moves up a division to start a comeback Tuesday at Portland, Ore., against Joey Maxum, veteran former light heavy champ.

USES TURNTABLE TO SELL SINKERS

PHILADELPHIA (AP)—Doughnut baker John Bauman decided business would be helped if his patrons could grab their sinkers without leaving their cars. However, his 25x60-foot parking lot left no room for automobiles to turn around.

Bauman solved the problem with a turntable similar to a railroad roundhouse. The customer drives in, gets his doughnuts from a window, wheels out the revolving platform gets turned around and drives off.

A pinch home run by Smoky Burgess enabled Cincinnati to tie the National League record of 221 home runs in one season in 1956.
